

# Where to find us

At the Radisson SAS Hotel, Manchester Airport

Print and production training for marketing and design professionals

## By Car

Manchester Airport is located 10 miles south of Manchester city centre with easy access from Junction 5 on the M56 motorway. There are over 11,000 public parking spaces currently available in the Long and Short Stay car parks. Regular courtesy shuttle buses run from each Long Stay car park to all terminals. We also offer disabled parking with wheelchair services provided by airlines.

## By Coach

National Express and Flightlink provide a wide range of services to and from Manchester Airport with dedicated waiting areas.

## By Bus

Direct services to many local centres as well as links with nearby cities. All buses call at the Airport bus Station located outside Terminal 1.

## By Train

Local train services operate from Manchester Airport Railway Station. Connections to many other stations in Greater Manchester can be made at Manchester Piccadilly, as well as to the Metrolink tram system.
